3 Bedroom unit

This rare find is beautifully presented both inside and out. With robes in all 3 bedrooms this genuine offering should appeal to both investors and home occupiers. Its neat presentation can be credited to the diligent maintenance and upgrades the property has benefited from over time. The flooring is near new, it has split system air conditioning, living space for both dining and relaxing and a practical kitchen.

Some other great features, often not found in similar units, include a separate toilet and bathroom, linen and broom cupboards, carport and secure brick workshop. In a convenient town location, this 3-bedroom unit is available for your private inspection, contact Travis 24/7 on 0447 138 372.
