

**Shop 1/141 East Bridge Street Benalla VIC**

One of 3 specialised butchers in this fast-growing rural city, this retail offering presents an exciting opportunity for you. The current owners have established not only a loyal customer base, but also a strong network of quality suppliers to ensure customers satisfaction is guaranteed. The foundations of this successful business model are well established and set in place for the new owners to flourish.

You will walk into your new business on day 1 with supply networks, a customer based established and necessary equipment that is well maintained of the highest quality and worthy of the business. Then there is the location . . . a location that provides convenient customer parking and guaranteed customer exposure with Aldi and Woolworths in the same retail complex.
